**DATE:** January 7, 2025  
**SUBJECT:** ***\$200 Title Administrative Surcharge due January 30, 2025***

---

Annually on January 1, the Florida Department of Financial Services (DFS) emails an invoice to all Florida licensed title insurance agencies as a reminder to pay the annual \$200 title administrative surcharge. (Please note, this surcharge applies to title agencies only and not individual title agents.)

Occasionally, title agencies miss these email invoices and fail to pay this surcharge by the January 30 due date. If you have not yet paid this annual surcharge for 2025, payment must be made securely online via your title agency's MyProfile account via this link: [MyProfile Account](#). DFS accepts online payments only, and only via your title agency's MyProfile account. No other forms of payment are accepted.

Failure to pay this surcharge by January 30, 2025, will result in administrative action which could include a fine, in addition to the original surcharge. If you have any questions or need assistance, please contact the DFS via email at [Title@MyFloridaCFO.com](mailto:Title@MyFloridaCFO.com) or via telephone at (850) 413-5697.
